

Organic Bio Greens™

Certified Organic – 100% Whole Food Based
Pollen Free - No Standardized Extracts

What Makes Organic Bio Greens™ a Superior Formula?

- Contains fruit extracts for 95% less sugar instead of whole fruits (only 0.2g of sugar per serving in Organic Bio Greens compared to 9g per serving, in the leading brand, Phytofruit)
- In a 100% whole food/vegetable base
- No pollen, dairy or soy; lower allergen potential
- Free of standardized herbal extracts, making it safe for children, adults, seniors or anyone with contraindications and/or sensitivities to medicinal herbs (such as ginkgo, green tea, licorice, etc)
- Shakes or mixes easily in water or juice
- Higher antioxidant fruits such as apple, wild lingonberry, black currant, black chokeberry, concord grape, pomegranate, sour cherry, wild elderberry, pineapple, red raspberry and black raspberry.*

Organic Bio Greens™ Delivers:

- A more concentrated formula containing larger amounts of only a select, premium blend of highly active ingredients.*
- Incredible antioxidant power, equivalent to 5-7 servings of fruits and vegetables (based on ORAC value)
- EPA & fibre-rich Active Hemp™ powder, along with amino acids from alfalfa, barley and spirulina, plus an array of naturally occurring vitamins, minerals & trace minerals
- 2.7g of fibre per serving
- Slightly sweet, apple and berry taste
- Pesticide & herbicide free
- Stevia free; no bad aftertaste
- 100% natural with over 96% Certified Organic ingredients (the natural flavours and the dairy free probiotic cannot be certified as organic).

* Than the Leading Brand.
